Dear Healthcare Professional

We are delighted to invite you to a symposium specifically designed for Healthcare Professionals, during which we will be looking at Understanding Children's sleep needs and how sleep deprivation impacts health, Common Sleep problems and strategies for changing behaviour and then also looking at the management of some of the feeding issues commonly found in infants.

This meeting will be an excellent way to meet and network with colleagues from other centres in your area.

We look forward to seeing you for what will undoubtedly be an informative and thought provoking meeting.
