

Suitable for:

SMA® Xpert ProCol is a paediatric food supplement suitable from birth, that contains clinically proven *L. reuteri*[†] cultures¹⁻⁴.

L. reuteri DSM 17938 is clinically proven to improve symptoms of infantile colic¹⁻⁴:

L. reuteri[†] significantly reduces daily crying time in colicky infants by up to 78%¹.

L. reuteri[†] is a probiotic, live microorganisms that when administered in adequate amounts, confer a health benefit on the host⁵.

Each sachet of **SMA® Xpert ProCol** contains a minimum of 100 million units of the *L. reuteri* culture.

Shelf life:

SMA® Xpert ProCol has a shelf life of 18 months.

L. reuteri - *Limosilactobacillus reuteri* (formerly *Lactobacillus reuteri*)
[†]*L. reuteri* DSM 17938, # Secondary outcome
^{*}In exclusively or predominantly (>50%) breastfed infants
