

Suitable for:

LITTLE STEPS® First Infant Milk is an alternative to breast milk when baby is not breastfed. Breastfeeding provides the best start for a baby, but if parents decide to combination feed or bottle-feed, **LITTLE STEPS® First Infant Milk** is nutritionally complete and contains DHA* (Omega 3).

Not suitable for:

1. Cows' milk protein intolerance/allergy.
2. Lactose intolerance.
3. Inborn errors of metabolism such as phenylketonuria, galactosaemia and galactokinase deficiency.

Shelf life:

LITTLE STEPS® First Infant Milk has a shelf life of 12 months.

200 ml

INFORMATION FOR HEALTHCARE PROFESSIONAL USE ONLY

DATA CARD LITTLE STEPS® FIRST INFANT MILK

From birth onwards

-  Breast milk substitute
-  Halal Certified
-  No Fish oil
-  No Palm oil

IMPORTANT NOTICE: We believe that breastfeeding is the ideal nutritional start for babies and we fully support the World Health Organizations recommendation of exclusive breastfeeding for the first six months of life followed by the introduction of adequate nutritious complementary foods along with continued breastfeeding up to two years of age. We also recognize that breastfeeding is not always an option for parents. We recommend healthcare professionals to inform parents about the advantages of breastfeeding. If parents consider not to breastfeed, healthcare professionals should inform parents that such a decision can be difficult to reverse and that the introduction of partial bottle-feeding will reduce the supply of breast milk. Parents should consider the social and financial implications of the use of infant formula. As babies grow at different rates, healthcare professionals should advise on the appropriate time for a baby to begin eating complementary foods. Infant formula and complementary foods should always be prepared, used and stored as instructed on the label in order to avoid risks to a baby's health. The product should be used only on the advice of independent persons having qualifications in medicine, nutrition, pharmacy, or other professionals responsible for maternal and child care.
